Info to database	_____	Certificate No.	_____
Cheque to treasurer	_____	Certificate date	_____
Treasurer’s authorisation	_____	No of shares	_____
Board approval	_____		
Member number	_____		

## **NOTES ABOUT MEMBERSHIP AND SHARES**

The full rules of the Society, obtainable from the Secretary, set out how it is governed and the rights of shareholders (“Members”).

**THE SOCIETY** is an Industrial & Provident Society for the benefit of the community.

### **ITS OBJECTS ARE:**

“To carry on any business for the benefit of the community of Knucklas in the upper Teme Valley and the wider community, by any or all of the following means:

- (a) whether alone, or in partnership with others, to protect and conserve the environment through the promotion of the prudent use of resources and sustainable land management, particularly in relation to the land owned and/or rented by the Society;
- (b) advancing education, and equipping the community with the knowledge and skills in the areas of community land trusteeship, ecology, biodiversity, access, organic growing methods, conservation, health, country life, heritage, culture, wildlife and related subjects;
- (c) to preserve, promote and improve the Knucklas Castle monument and to encourage public understanding of, and access to this monument.”

### **NOTES:**

The benefits you receive from buying shares are not in money (other than a possibility that you may be repaid without interest at some time in the future) but include:

- (a) Through your membership you are securing the future of Knucklas Castle and the lands round about as assets for the benefit of current and future generations to be used as set out in the objects.
- (b) You are helping to promote, and in your turn benefit from, the community spirit of Knucklas and its surroundings.
- (c) You become, indirectly, a joint owner of a historic castle and the land around it.
- (d) You have the right to attend and vote at general meetings - each Member has one vote regardless of the number of shares owned. You are eligible to be elected, if you are over 16, as a Director of the Society.

You become a Member of the Society by buying shares and being accepted by the Board as a member. Each share costs £1. The minimum shareholding is £20. The maximum is £20,000.

Shares cannot be transferred to others except on death or bankruptcy. They may not be bought and sold like shares in a company. No dividend or interest is paid. Their value may be reduced. While the rules of the Society give members a right to sell shares back to the Society by giving three months’ notice, the Directors have power to suspend (postpone) this right. They have decided to use this power indefinitely. The purpose is to accumulate sufficient funds to buy its land outright – at the moment the Society only has a lease which is due to expire in 2020.

Each Member will receive a numbered Share Certificate, the number being the Membership number. Additional Certificates will be issued for subsequent purchases.
